St. John Paul II's visual arts program provides students an opportunity to learn about various artists, art movements, cultures, and artwork throughout the world and throughout history. Students develop higher-level thinking as they discuss, critique, form ideas, and make connections through the study of art.

Music

At SJPII, pre-k through 8th grade students are provided with opportunities to appreciate music while using it to deepen and enrich their spiritual lives. Students are able to discover their God-given talents through listening, singing, performing, discussing, composing, and evaluating music in local, regional, and global contexts. With their deeper understanding of music and its role in the Catholic religion, students are more prepared to fully participate in Liturgy.

Physical Education

The Physical Education program follows the NC Diocese of Raleigh Curriculum by integrating the components into sports specific based learning. The large field and activity center are used to facilitate classes. Adjustments and alternative exercises will be provided as necessary. All students will continually strive to improve/master all areas of Locomotor skills at SJPII.
